## German Courses for Executives

[Book](#)

The highly intensive German courses for executives are geared to students who wish to learn German for professional reasons. As these individuals usually cannot be away from their job for an extended time, the one-to-one intensive courses with 30 or 40 lessons of 45 minutes per week are customized to the specific needs of each course participant. Topics can include, for example, business correspondence in German, sales talks with potential customers, speeches and presentations and many more.
