

German Courses for Teenagers and Children

Book

2023

The Humboldt-Institut offers German courses for children and teenagers in Lindenberg at any time of the year. This offers a great variety of starting dates and a flexible course duration. The curriculum has a high learning progression, as it is designed, among other things, for students planning to go to school in Germany, or who would like to noticeably improve their academic performance in German lessons in their home country.

In summer, only teenagers are welcomed in Lindenberg, as we open our course center in Bad Schussenried for individual students from 10 to 13 years of age.

In Bad Schussenried we run another course center for children and teenagers in summer. The courses follow the same curriculum as the year-round courses in Lindenberg. Lessons aim to close the students' individual knowledge gaps and to improve the German level of each student on this basis.

The course center is open year-round for closed groups on request. We will welcome individual students to Bad Schussenried only in summer.
